

**CONSENT TO STREET DEDICATION**

Public Service Company of Colorado, a Colorado corporation, ("PSCo") the owner of an easement as granted in an instrument recorded at Reception Number F0677889 Page 001-004 of the Official Records of Jefferson County, Colorado ("Easement") and located within the boundaries of the proposed final plat of Ulysses Garden Subdivision, has reviewed the proposed plat and the intention of the property owners to dedicate right of way to Jefferson County, Colorado and determined that the dedication of the right-of-way does not affect its current interests and rights under the Easement.

PSCo, hereby consents to the dedication of the right-of-way insofar as the same affects the property encumbered by its Easement provided, however, PSCo does not hereby relinquish any of its rights to operate, maintain, repair, reconstruct or improve its facilities within the Easement or its right to restrict or remove structures and other objects, growing or otherwise, interfering with or endangering such facilities.

Insofar, as the Easement lies within said right-of-way, the undersigned agrees that in the performance of work on its facilities, it will first notify and obtain the necessary permit from Jefferson County at least 24 hours prior to commencing such work, except where due to the existence of an emergency situation, prior notification is not possible, in which case notification will take place as soon as possible thereafter. PSCo further agrees to repair the street and appurtenances thereto damaged in the performance of its work to the same conditions that existed prior to the work.

The undersigned hereby stipulates and represents that all procedures necessary to authorize the execution of this document have been performed and that the person signing for PSCo has been authorized to do so.
